### HOLMAN QUALITY POLICY

At Holman Industries, quality is integral to our commitment to the industries we service. Our **Vision** is to be in the top three suppliers for Irrigation, Gardening, Watering and Plumbing products.

Our core principles and values guide our actions in delivering high quality products and services that are both safe and fully compliant to all relative Australian and New Zealand standards.

Our commitment is to never compromise on the safety and quality of our products and services to our customers.

Management and staff are all engaged to understand their responsibilities and be empowered to take appropriate actions to protect our customers and our reputation within the relevant industries.

#### Objectives

- To comply with EH&S standards and company Policies and Procedures
- To provide Customers with exceptional service through Continuous Improvement processes
- To select and develop the right people
- To develop and implement team plans and improvement processes to support commitment to Company Objectives
- To develop systems to measure our Performance and Progress
- To supply products conforming to the requirements of the relevant AS/NZS product standards. Where required, products will be third party certified against a recognised ISO Type 5 Certification program
